

Summary

Test Summary Report

Project: ReserveCalifornia Mobile/Web

Tester: Goeun Heo

Date: 2025-10-07

Environment: Windows 11

Chrome Version 141.0.7390.55 (Official Build) (64-bit)

Mobile Chrome emulation / Website

Total Test Cases: 24

Passed: 20

Failed: 4

Overall Result:

Major layout and session handling issues observed on both web and mobile versions.

Functional flow works in most cases, but expiration handling reservation modifying need fixes.
